Meat and Appy Cooking Directions

Beef Sausage Rolls:

Remove from packaging and thaw for best results, reheat in oven at 350°F for 18-20 minutes. Microwave on high for 1 to 1 ¼ minutes. Heating Temperature & Time may vary with ovens. If frozen reheat in oven at 350°F for 30-32 minutes

Chicken Cordon Swiss:

Preheat Oven to 400F / Remove Frozen Cordon from packaging and place on baking sheet / Bake in Oven for 30 minutes. Cook until internal temperature reaches 165F / 74C. These are RAW and must be baked

Chicken Strips:

Oven: Preheat to 200°C (400°F). Place frozen chicken fillets on a non-stick baking sheet and bake for approx. 15 - 20 minutes or until heated through. Remove from oven and let stand for 3 min before serving.

Deep fryer: Preheat to 190°C (375°F). Heat for 4 - 5 min or until heated through. Let stand for 3 min before serving.

Individual ovens and deep fryer vary, these are guidelines only.
